

HOW TO REGISTER FOR THE KdVS FOUNDATION (KdVSF) PATIENT ADVOCACY SUMMIT

Please read all instructions before registering for The Summit!

1. Registration will be open May 1, 2023. In-person ticket sales will close on June 9, 2023. Virtual ticket sales will close on July 21, 2023.
2. All individuals attending or participating in any part of the Summit, must complete the registration form. **Each individual must complete their own registration form with a separate email address in order to create your Summit Profile, including children. Each email address is connected to an attendee profile, which is connected to an attendee badge. You will need this badge at all Summit events.** ([Gmail.com is free and allows adults to create an account for a minor](#))
3. For virtual tickets, one registration per household is sufficient.
4. **This email address will be used to create each attendee's profile.** Be sure to assign tickets to the correct profile (see "Assigning Tickets" below). Your profile includes your photo (optional but recommended), and any tickets associated with your profile will appear on your badge to scan a code for entry into sessions.
5. After registration, please purchase the tickets at the link that apply to each person in your party. Each person attending any part of the Summit, should have a ticket. This is to account for enough seating and space in all areas. All in-person tickets include access to the Summit Kickoff at 5:30pm on July 19, and the reception that follows at 6pm.
6. If you are staying off-site from the Summit hotel, you still must register and purchase tickets for the Summit.
7. You are responsible for securing your lodging/accommodations. Registration and ticket purchase does NOT guarantee a hotel room/lodging at the resort. .
8. Each ticket includes only what is listed on this document. Each participant will receive a name badge and meal tickets at check in on July 19.. Your name badge will include a QR code that will be used to verify your ticket to Summit sessions.
9. The KdVS Foundation Patient Advocacy Summit is going paperless this year! All Summit info (schedules, speakers, location info, etc.) will be available in the MyHub Eventify App. Search for **MyHub by Eventify** in your app store. Download the app. Search for "Koolen-de Vries Syndrome", and click add. You will use the email used to register (see line 2., above) and a password that was sent to your email in order to sign in through the app. [More information and instructions here.](#)
10. Join us for a special edition of KdVSF Connect! Join a Q&A Zoom on either **June 10 or June 11** to get ready for the Summit! [Register for either event here.](#)

Notes to keep in mind while registering:

1. The KdVS Foundation is committed to including KdVS individuals in the Patient Advocacy Summit free of charge. There are donation tickets available at various price points in the registration. If you are able to purchase a donation ticket to help cover the costs of KdVS individuals, we would greatly appreciate it! Please consider donating to the Summit to help defray the costs from the Foundation. There are also speaker donation tickets available if you are interested in sponsoring a speaker's attendance at the Summit.
2. The KdVSF Summit is an extremely expensive event and will cost well over \$175,000 at final tally. This is the first year the Foundation has moved to a professional-level conference, simply because our KdVS family has grown to be too large to host the Summit in smaller, more informal venues. Professional conferences include event space rental, catering, audio-visual equipment and post-event video editing, hotel contracts, vendor contracts, virtual options, professionally licensed child care, and event insurance. Think of this as a 3-day wedding event! Ticket prices are highly subsidized through grants and sponsors to help defray the direct cost to families. If you, or someone you know, are [interested in sponsoring the summit](#), please reach out to Ashley for additional information. ashley@kdvsfoundation.org.
3. **There are all-Inclusive tickets for each age group to simplify booking.** These tickets include admission to the presentations and all offered meals (lunch Thursday, lunch & dinner Friday).
4. All questions in the sections that apply to you ARE REQUIRED.
5. The following table details the ticketing options. There are 9 types of tickets to choose from:

Speakers	Young Adults
Virtual	Meal Tickets
Adults	Childcare
Infants & Babies	Donation Tickets
Children

Virtual Ticket Information

The KdVSF is committed to providing high quality content and information to all interested parties around the world. We understand travel can be a barrier to in-person attendance. This ticket includes access to several high-quality recordings of summit presentations. These presentations will be made available within 30 days of the conclusion of the Summit. Please see the schedule for which sessions are included in this ticket. These recordings will be available for several months post-Summit.

All in-person attendees also have access to these recordings.

Meals

There are four times that food will be served at the Summit. Wednesday night Welcome Reception, Thursday lunch, Friday lunch, and Friday Dinner. Be sure to enter your food preference on the registration form.

The Wednesday night Welcome Reception is included in each ticket. If you would like to attend any of the other meals, you must purchase a ticket separately. All-inclusive tickets include admission to all four of the meals. There are also a la carte meal tickets if you choose to only attend one additional meal. This is to help reduce costs for families who would like an additional option.

For example, if you will not be dining at the hotel for lunch on Thursday or Friday, but you would like to attend the Friday night dinner, then you would only purchase a meal ticket for Friday night and Summit tickets.

The Summit hotel does offer several on-site restaurants if you choose to eat apart from the provided meals. There are also several restaurants in the surrounding area.

If you or someone in your party utilizes a feeding tube or has other dietary restrictions that prevent them from eating the catered meal, please select the “No food by mouth/I have dietary restrictions” option. You are able to bring your own food/formula/blended diet if you select this option. Please select this option to ensure we have enough seating in the dining area.

There is a 0-2 ages option for anyone who may require a chair at the table. Guests 0-2 will not be served their own meal. This is to ensure we have enough seating in the dining area.

KdVSF Summit Shirts and Merch

Official summit shirts and other KdVS gear are available [here!](#) Shirts are not included with registration at this time. Shirts are not required. All proceeds raised from the shirt sales go toward funding the KdVSF Summit. Please note shipping charges at checkout.

Individual Meetings with Professionals: \$25 for a 20 minute session

We are excited to offer a limited number of in-person individual meetings with Dr. Koolen, Dr. de Vries, Dr. Myers, Dr. Kasri, Dr. Morgan (via zoom), Certified Special Needs Financial Planner Ryan Platt, and Apraxia Specialist and Speech Language Pathologist Aubrie Hagopian. More information available about each of these speakers is available through the app under speakers.

Ticket required for each meeting. These meetings will occur throughout the day on Thursday and Friday. You will receive your ticketed time for a meeting before June 30. If you have not received your time, please email emily@kdvsfoundation.org.

Childcare Provided through Corporate Kids Events

Childcare tickets are extremely limited. The last day for any changes in Childcare will be June 18. No refunds, changes, cancellations, or additions will occur after this date. Waitlist childcare tickets are available, and if there is enough interest, we are able to open more childcare slots which may reduce the cost.. We will contact you if a spot opens up and for payment. More questions? Email Katie kmdobry85@gmail.com.

Complete this form (ONE PER CHILD), download as a PDF, and email to Katie kmdobry85@gmail.com. If this form is not completed, your childcare tickets will be void: [Corporate Kids Events Childcare Registration](#)

Assigning Tickets

1. Add the tickets you would like to your cart and complete your purchase.
2. You will then be directed to assign tickets. Assign tickets to each person in your party.
3. For example, if you purchased four tickets total (two adult tickets and two child tickets), then you need to assign each of those tickets to each of the four email profiles you previously created in registration. This will connect the tickets with the registration profiles.
4. Be sure to connect childcare tickets with individuals needing care, and a la carte meal tickets with individuals who will be utilizing the a la carte meal tickets.
5. When you [log into your profile through the Eventify app or here](#), you should be able to see your registration page and tickets. If your registration page is not complete, please be sure to complete all of the questions.

Logging into your Eventify Profile

You can log into your profile [here](#) or through the app on your phone. Each email provided for each individual at registration will receive an email from *Koolen-de Vries Syndrome Foundation Patient Advocacy Summit* with a booking number and a passcode. This 6-digit passcode is what you will use to log into your profile. If you lose this passcode, simply enter the email when prompted and you can request a new passcode be emailed to you.

Sign into your profile. Click on your name (top right corner on website, hamburger menu on top left on mobile) to verify your profile is complete, upload a photo, and connect with other attendees. The information entered on your profile will generate a unique QR code for your Summit badge which will be used for entrance into sessions.
